

# ACCELERATING OPPORTUNITY in Power & Mobility

Tuscaloosa County is leveraging its track record of success in advanced manufacturing to lead and serve as a world-class research and development hub for electric vehicle production and modern mobility and power technologies.

## Our Success

Home to Mercedes-Benz U.S. International's (MBUSI) first passenger vehicle assembly plant outside of Germany

**\$1B**

investment by  
Mercedes-Benz U.S.  
International to support  
electric vehicle production

**10,000+**

Tier 1 & Tier 2 supplier  
employees to support booming  
automotive production

Home to the **Alabama Mobility and Power Initiative** on the University of Alabama campus, a R&D hub designed to meet the needs of the booming electric vehicle market and support Alabama's transportation network
